FIRST IN RESULTS TO ADVERTISERS

NUMBER 52

Raymond J. Preganzer, Grass Lake Resident, Dies, Funeral Today

**Widely Known Contractor,
Resort Owner and
Beer Dealer**

Death came at 2:10 a. m. Monday to Raymond J. Preganzer, 71, of Grass Lake, at the Chicago Memorial hospital, 3310 Lake Park ave., Chicago. He had been ill six weeks.

Mr. Preganzer was widely known throughout this area. For many years he engaged in the dredging business and reclaimed much land in the Grass Lake region. He was a beverage distributor and a resort owner. Many persons of public renown and influence were among his guests.

Born January 15, 1879 at Tissey, Austria, he came to the United States at the age of 6 years, settling in Chicago where he lived until moving to Grass Lake 42 years ago.

He was a member of Sequoia lodge No. 827 A. F. and A. M., the Oriental Consistory and Medinah temple. He was also a member of Talm lodge No. 58, Independent Order of Odd Fellows.

Surviving are the wife, Mathilda, two sons, Lewis, of Grass Lake, and Arthur, of Chicago; a daughter, Mrs. Isabel Deutsch, of the home; a sister, Mrs. Ella Buettner, Chicago; five grandchildren and one great grandchild. A son, Raymond, preceded him in death.

The funeral service was at 2 p. m., today at the Strang funeral home. The Masonic service was given at the funeral home and at the grave in Grass Lake cemetery.

Holbek's Private Garage Destroyed by Fire Monday

The two-car garage of Herman Holbek situated at the rear of his variety store on Main st., was destroyed by fire Monday evening. The frame building once used as a hitching stable for persons who drove horses to Antioch, is believed to have ignited from some nearby burning trash.

Holbek had his car out of the building while attending a dinner meeting of the Lions club at Fox Lake. The other stall of the building was used by William Thiemann in the storage of baled paper.

Firemen used a bulldozer in pushing the burning paper down an embankment into a gully where it could do no harm. Only the door of the building was saved. The loss was estimated at \$300.

Public School Boards, Administrators Hold Day Clinic on Tax Budget

Representatives of the Antioch Township school boards will attend a special meeting in which they will be guided in the preparation of their school district budgets.

The meeting arranged by County Superintendent W. C. Petty will be held Tuesday in the supervisors' room of the court house in Waukegan.

Purpose of the meeting is to eliminate flaws in the school budgets that will leave them open to objections by taxpayers.

Representatives of the county clerk's office, county treasurer's office, states attorney's office, and railroads which are taxes by Lake county school districts will be present to take part in the clinic. The railroads are the chief objectors and elimination of that source will materially reduce the possibility of having school revenues tied up in tax litigation.

School districts from one through 86 will meet from 9 a. m. until noon and the rest of the districts will meet from 1:30 to 4:30 p. m.

Petty urges that at least one administrative member and one member of the school board attend.

Many Navy Recruits Suddenly Called to Duty

The United States forces fighting the cause of the United Nations in southern Korea against the Northern Korean communists is at this time being pushed back near the sea by an overwhelming foe.

Orders were sent out recalling a substantial number of reservists in the Ninth Naval district in this country and the nation is gearing for war on many fronts.

England has agreed to send men to Korea.

Lake Villa Township Assessment Roll Issued

With the publication in this issue of the Antioch News of the Lake Villa township assessment roll, property owners there not satisfied with their evaluations will have 10 days in which to file a complaint in writing before the board of review.

This list contains personal property in full and such real estate as has been changed since the last assessment. Whether or not the property is listed here, the property owner may seek a revision.

Jim Crowley Entertains Lions and Guests With His Football Experience

Sixty-two members of the Lions club and their guests were well entertained Monday evening in their dinner meeting at the Fox Lake Country club by James Crowley, one of the famed "Four Horsemen of Notre Dame," who now has summer residence at Mineola Bay.

Crowley kept his listeners highly interested in his narration of his experience at Notre Dame under Knute Rockne's coaching and about his trials and tribulations as a coach in both college and professional football. At present he is a representative of Better Brands Products of Illinois.

The former football star recently was made president of a \$100,000 corporation known as National Football Services which will serve as consultants to college and high school football coaches and serve as an information bureau.

Irving Carey, president of the club, announced as among the sports luminaries as guests, James McMillen, Louie Nielsen, former Purdue lineman, of Antioch, Gene Rose, former Wisconsin quarterback and early Chicago Cardinal star, and Bob Needham and Jack Emerick, of Waukegan. Merchants football team management.

Public Service Co. Plans Electric Farm Show for County Fair at Waukegan

The electric farm show of the Public Service Company of Northern Illinois, which was a feature of last year's Lake county fair, will play a return performance at the 1950 fair, Aug. 3, 4, 5 and 6 in Waukegan with a completely new exhibit, it was announced today by the utility.

With "better methods" again the theme, the new display, especially produced for county fairs, shows how electricity saves dollars and labor for both the farmer and the farm wife.

Housed in a "big top" tent, 60x90 feet, the exhibit features actual electrical equipment, working models and blow-up photographs demonstrating new ideas in crop drying, barn ventilation, food freezing, milk cooling and pasteurization, livestock water warmers, dehumidifiers, insect "killers," egg washers, egg coolers, egg graders, automatic poultry feeders, and electrically heated bee hives.

As the center of attraction for the farm wife, modern electric kitchen and laundry equipment will be displayed on a huge revolving turntable.

In addition to the farm and home electrical exhibits, moving pictures will be shown free six times daily to all visitors in the 200-seat farm theater under the utility's "big top." The exhibit will be open daily during the four days of the fair and all persons attending the fair are invited to visit the free electric farm show.

VFW Helps With Park Improvement

Members of the local post VFW were very helpful at the village park last Thursday evening, when a number of them came to the park, bringing the equipment to move obstacles too heavy for the workers heretofore. Under the direction of Warren Edwards and Tony Sciacero, commander, tree trunks, stumps and boulders were blasted out with dynamite.

According to Anthony Scully, chairman of the park improvement committee, much work was accomplished and the VFW is to be commended for its public spirited effort.

Reunion Well Attended
There was a good attendance at the St. Peter's church reunion and festival Sunday and all reported a good time.

William F. Balmes, 47, Of Petite Lake, Dies After Sickness of One Week

Funeral services were held Monday for William F. Balmes, 47, of Petite Lake, who died at 2:30 a. m. Friday at Victory Memorial hospital Waukegan, following a week's illness.

A service at 9:30 a. m. was at the Strang funeral home with a service following at 10 a. m. in St. Peter's church. Interment was at Mt. Carmel cemetery.

Mr. Balmes was born Oct. 2, 1902 at Wilmette, Ill., and lived there until two years ago when he moved to Petite Lake, and became manager of the Woodland grocery store at Hubbard Woods.

He was a member of St. Peter's church and the Antioch Moose lodge.

Surviving are the wife, Gladys, the mother, Mrs. Anna M. Anderson, Lafayette, Ind., two sons, Robert and Eugene, of the home; two brothers, Robert Balmes, Chicago, and Thomas Anderson, Wilmette; and five sisters, Mrs. Louise Woodley, Lafayette, Ind.; Mrs. Juliet Daley, Indianapolis; Mrs. Virginia Scholz, Muncie, Ind.; Mrs. Jeanette Johnson, Boise, Idaho; and Mrs. Carol Miller, Detroit, Mich.

V. F. W. Team Loses To Racine Thompsons

The Antioch V. F. W. threw a scare into the Racine Thompsons Sunday, but the visitors aided by Antioch errors went home with an 8-5 victory. Each team scored four earned runs. Racine outthrew the V. F. W. 15-10 but the locals collected three extra base blows against Racine's one.

Manager Jack Crandall tried to befuddle the opposition by alternating two pitchers. Ed Olsen started on the hill and allowed five runs and seven hits the first three innings. Ray Bushing hurled the next three innings and was touched for three hits and two runs but the runs broke the tie and made him the losing pitcher. Olsen returned to hurl the seventh and eighth innings and Bushing the ninth with a yield of one unearned run.

Antioch's offense centered around Dick Scott, Jack Crandall and Herb Ellis. Scott collected a triple and two singles while Crandall and Ellis each garnered two singles.

Nelson, Lewis and Hantschel all had three bingles to lead Racine. Hantschel drove in three of Thompson's four earned runs.

Racine started off with two unearned runs in the first inning. Nelson beat out a slow roller to short. Elzinga sacrificed. Lewis hit a fly to Crandall but Nelson scored when Scott threw Krogh's grounder past first base. Hunn then slapped a single to right to score Krogh and to make the score 2-0.

Antioch picked up its unearned run in the first also. Palenski was safe when Anton threw wildly to first. Dick Scott then blooped a single over the second baseman's head, Palenski scoring.

Thompson's bunched three hits and a walk in the third to take a 5-1 lead but Antioch followed with four runs in their half of the third making good use of the squeeze play. Dick Scott led off with a long triple to right center. Olsen walked with the squeeze sign on Crandall laid down a perfect bunt. Scott scoring and Crandall getting credit for a hit. Fox bunted and again got a hit when no play was made. Olsen moved to third on the play and scored a moment later on a wild pitch. Ellis bunted and was safe when the throw to the plate was too late to get Crandall. Ray Scott then struck out but Crawford lined a double over the left fielder's head to score Ellis with the tying run.

Racine won the game with two runs in the fifth. Hunn walked, Haluski singled to center but was out trying to stretch it into a double. Hantschel doubled to left, Hunn scoring. Johnson hit a slow roller to Palenski and Hantschel scored when Palenski overthrew first base.

They picked up another unearned run in the seventh on a single by Haluski and another error by Palenski to make the final score 8-5.

Next Sunday the V. F. W. will take to the road once again. They travel to Lincoln Park, Kenosha, to engage Model Tavern. The locals were soundly trounced in the team's last meeting but chances are excellent for a reversal of the results. Game time is 3:00 p. m. C. D. T.

Enrolls at National College
Mrs. Dolores Ellis, of North ave., is studying at the National College of Education in Evanston during the two-week summer session, July 17 to 28. Her studies are in elementary education.

Lake Villa Assessment Roll Is Published

The assessment roll for the Town of Lake Villa as fixed by the assessor, appears on pages 3 and 4 of this issue of the Antioch News. Every resident of the Town of Lake Villa, which includes the Village of Lake Villa, should make it a point to check up on the amount of his assessment.

Any property owner who objects to the amount of his valuation should file a formal complaint with the Board of Review within 10 days from the date of publication of this assessment roll.

Bristol Meeting Favors Central High School

A decision is expected soon from the Kenosha county school committee on the matter of a new central high school district.

The committee met last week with more than 200 residents of eight townships of the county at the Bristol town hall.

The new district would include all of Bristol township, all but two sections of Brighton, all but four sections of Paris, all but a portion of one section of Wheatland, and that part of Salem that is not already in Wilmot High school district.

Much of this territory was involved in the Wilmot High school controversy in which the location of the school was involved. Since the Wilmot district was returned to its original size, the rest of the territory is planning its own school.

Recruiting Regulations Changed, Antioch Area Officer Lihn Announces

Further changes in recruiting regulations have been announced by Sgt. Miles I. Lihn, recruiting officer for this area. Shortly after word was received lowering the mental score required for enlistment, word was also received that 21 month enlistments have once again been authorized. These short term enlistments have been curtailed for sometime, but are once again in effect for those who qualify.

The 21-month enlistment is applicable for the army only. The applicant must be between the ages of 19 and 25; he cannot be a veteran of any of the armed forces; and upon discharge he must join the Enlisted Reserve Corps for a period of five years and remain active during this period.

Sgt. Lihn also announced that the Air Force Procurement Officer from Chicago will be at the Recruiting Office, 325 Washington St., Waukegan on August 1 and 2, 1950. He may be seen from 9:00 a. m. until 4:00 p. m. on both of the above days. He will interview anyone interested in the Air Force Aviation Cadet Pilot and Navigator Training Programs, and also those interested in the Air Force Officer Candidate School. For those who are interested and qualify preliminary processing will also be accomplished at these times.

The requirements for the Aviation Cadet program are:

The applicant must be between the ages of 20 and 26½, single, male, a citizen, and must possess at least half the needed credits for a baccalaureate degree at an accredited university or college. For the Officer Candidate school the requirements vary from the above. The age limit is 20½ to 26½, male or female citizen may apply, and in lieu of the needed college credits, the applicant may take an equivalency examination, the passing of which will fulfill the above educational requirements.

All interested persons are reminded that Sgt. Lihn may be seen in Antioch every Tuesday at Zehren's Restaurant between 11:00 a. m. and 2:30 p. m.

Unable to Find House

The T. R. Birkhead family still is unable to find a rentable house at Harvey, Ill., where Mr. Birkhead has a position as superintendent of the high school and junior college, and they may buy a home. His successor, Richard C. Edmondson, and family expect to occupy his house here.

Many Early Responses To Lions' Appeal for Rescue Squad Gifts

Lake and Southern Kenosha counties appreciate the Antioch Rescue squad.

This was evidenced by the many early replies received this week to the annual appeal for donations to the Lions Rescue Squad fund sent through the mails.

The reliance the area has on the squad in times of misfortune, accident, or disaster, has grown to such an extent that the organization is now an institution comparable to other protective forces.

The members work without pay and they are willing to go anywhere. The squad benefits from no taxation and its expenses rest solely on the donations received. The organization is now striving to get its own building before the village disposes of its present village hall, something that has been contemplated with the completion of the new hall.

Contribution to the Rescue squad is something that invites no argument.

Antioch 4-H Clubs Have Joint Achievement Day With 100 in Attendance

Nearly 100 friends and parents attended the local achievement program of the Antioch Aces and Antioch Acorns 4-H clubs last Friday, July 21, at the Scout House in seeing the work accomplished by both clubs.

Exhibits of cookies, outdoor fires, and picnic equipment were displayed.

The girls will take their clothing projects to the county fair at Waukegan on Aug. 3 to be judged by Mrs. Butler of the University of Illinois Extension division.

The clubs of the county will have a combined fashion review in the afternoon at the Waukegan High School auditorium.

The program Friday included in addition to the project exhibit a skit by the clubs, a dress review in which Betty Jean McDougall served as commentator and Mrs. William Hansen.

Tamara Cary and Nancy Sheehan told of their stay at the 4-H camp, and the two clubs sang their camp songs and gave their pledge. Mrs. C. E. Hennings of the Antioch Home Bureau made a few remarks at the close.

The Acorns during their project exhibit had Ann Anderson, club president, as their commentator with Carole Hansen giving the report. Donna Masopust played an accordion solo.

The Aces had their president, Suzanne Birkhead, as their commentator, Mary Herman giving the review of the project, and Gretchen Biel and her orchestra played the selection "Deep in My Heart," from the "Student Prince."

Francis Radtke Training At Lackland Air Base

Pvt. Francis B. Radtke 18, son of Mrs. John Radtke, of Antioch, has reported to Lackland AFB, the "Gateway to the Air Force," to begin the AF basic airman indoctrination course.

His thirteen weeks of basic training will prepare him for entrance into Air Force technical training and for assignment in specialized work. The course will include a scientific evaluation of his aptitude and inclination for following a particular vocation and career.

Lions Carnival, Exhibit to Open Wednesday with Many Free Attractions

**County Fair at Waukegan,
and North Chicago Pageant
Also Attract**

There will be plenty of entertainment in Lake county next week. In Antioch the Lions carnival and merchants' exhibit will be the big attraction.

With the Bedell circus troupe providing five free acts both afternoon and evening the carnival here will open Wednesday at the Ackerman grounds on Broadway and continue until Sunday night.

The acts will include a pony performance, tumbling act, and spring board acrobatic feat.

There will be six rides, the ferris wheel, tilt-a-whirl, roll-a-whirl, merry-go-round and two kiddie rides, and many concessions.

Two tents will be devoted to merchant exhibits and already 40 stalls have been contracted for. Because of the conflict with the county fair and the Wilmot fair the following week the 4-H exhibit will not be conducted this year.

County Fair at Waukegan

The annual Lake County Fair will be held from Thursday until Sunday evening at Waukegan. That village is host for the first time and is making much effort to make the event a success. Already the dairy and sheep exhibits give promise of being outstanding.

Pageant at North Chicago

A pageant in which dances will be given by many nationalities will be the climax of North Chicago Days which will be in progress from Aug. 3 to 6 inclusive. Drum corps will parade Sunday afternoon and the pageant will be at night.

Large Crowd Expected Sunday at Marine Day Celebration at McHenry

A large crowd is expected Sunday at the annual Marine Day celebration conducted by the McHenry business men on the Fox river there. The program will start at 10 a. m., with a parade of floats through the business section to the city park.

Racing will then start with six heats of outdoor utility races between 11 a. m. and 1 p. m. No hydroplanes will be permitted to run until 1 p. m.

The hydro and racing runabout schedule will then be:

2 p. m.—A hydro; 2:15 p. m.—C service runabout; 2:30 p. m.—A hydro; 2:45 p. m.—C service runabout; 3 p. m.—B hydro; 3:15 p. m. C racing runabout.

At this point the power racing will be interrupted for a half hour during which the carnival queen will be crowned, and rowboat races and other entertainment staged.

Racing will be resumed at 4 p. m. with the B hydro; 4:15—C racing runabout; 4:30—C hydro; and 4:35 p. m.—C hydro.

Start Construction on Lake Forest Fieldhouse

Construction of Lake Forest College's new Alumni Memorial Fieldhouse began Tuesday. The new building, which will have a seating capacity of approximately 3000, will be located on the College's South Campus.

The construction of the new fieldhouse is the first step in Lake Forest's \$2,100,000 Centennial Program to be completed by 1957 when the college celebrates its 100th anniversary. The new fieldhouse will be completed for Lake Forest's 1950 basketball opener with Wheaton college on Dec. 7.

Next in the College's Centennial Program is the erection of a new Fine Arts Classroom building, complete with auditorium to seat 1000 persons.

Important 4-H Club Meeting

The last meeting of the 4-H club before the Lake County fair at Waukegan will be held Tuesday, Aug. 1, at the Antioch Township High school starting at 8 p. m. Officers have asked that all members be present because of the importance of the meeting.

Home From Hospital

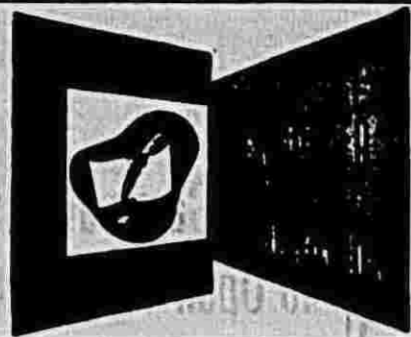

Mrs. Paul Alshouse, of Grass Lake rd., is home from Victory Memorial hospital with her fine boy baby.

Mrs. John Doyle and new daughter, of Rte. 173, near Green Bay rd., went home Tuesday from Victory Memorial hospital, Waukegan.

The Question Is Answered

If any question remained in anyone's mind as to the need for the strictest possible economy in government, the grim march of recent events must have answered it.

This country is now committed to a policy of active resistance to communist aggression. It is a policy which has the full approval of the leaders of both political parties and of the nation at large. It is a policy whose cost no one can as yet estimate. At best, it seems inevitable that our expenditures for military and related purposes will rise materially.

In the light of this, how can further waste and unnecessary domestic spending be countenanced? In a world struggle for survival, there is no room for the welfare state, for government pampering of the individual—or for the spending of our tax money for any purpose which can be accomplished by private enterprise.

Government has its hands full, and more, with desperately difficult tasks which only government can handle. At this time, of all times, it must keep to its proper constitutional duties.

What The Retailer Keeps

Two highly interesting reports on the profits earned by various kinds of retailers have recently appeared. They will come as a considerable surprise to people who think that retailers keep much of the money spent with them—and are, consequently, largely responsible for high prices.

First is a report issued by the Harvard Bureau of Business Research on operating results of department and specialty stores last year. Department store earnings after taxes were only slightly more than 3

cents on the consumer's dollar, the lowest figure since 1938. Specialty store earnings were but slightly more than two cents. Stores generally reported higher expenses during the year for payrolls, real estate, and advertising.

The second report has been issued in illustrated leaflet form by a major food chain*. Of each consumer dollar this concern took in last year, 81 2/10 cents went right out to buy stock, most of it to farmers. Then came wages, taxes, rent and utility costs, supplies and maintenance, and advertising. After all these bills were paid, that original consumer dollar had shrunk to 1 7/10 cents. That was the profit—but not all of it went to the owners. Actually, the stockholders got 8/10 of one cent and the remaining 9/10 of a cent was plowed back into the business, where it bought new equipment and paid for needed store and warehouse improvements, expenditures that any concern must make if it is to keep up with the march of progress in a competitive economy.

That is how some representative merchants fared in a year of heavy business volume. The point is that if such retailers made no profit at all, the consumer would not notice the difference.

The Low Down From Hickory Grove

You know, good people, the way the news reads, we have cause for running an anxious hand across our brow and cogitating on how-come we been such a sucker. How-come we have stood for the rattin' around in big places of small people. How-come we have permitted the term "big business" to be blusteringly used as meaning "dreadful business."

And now, when trouble looms, what happens. We ask the big gun makers, the big TNT makers, the big iron foundries, to pass the ammunition, and quick. You don't make big steel in a teakettle. You gotta have big steel plants. And these big plants—which will now come to the rescue—are the very ones that have survived the sniping of our Govt., which has been chipping away at all private ventures via anti-trust and anti-this and anti-that, by a swarm of pestering socialist-minded talent who smell something wrong in any business that has been able to succeed or survive.

We would be in a pickle now—and how—if we were depending on teakettle plants for the big stuff we need. If we would now learn to listen to such able Americans as that old "Soreback", Senator Byrd of Virginia, suh! and renovate top to bottom—our Govt., we would be showing a wholesome tinge of George Washington-type horsensense.

Yours with the low down,
JO SERRA

LAKE VILLA

Rev. and Mrs. Harrison are at Loon Lake Camp all this week. Rev. Harrison as instructor and Mrs. Harrison as nurse. However, they will be back for church school Sunday worship service next Sunday at the church.

The Woman's Society of Christian Service has decided that no meeting be held until the first Wednesday in September when fall schedule begins and notice will be given.

Mrs. Neil Reidel and daughters spent Monday in Chicago and her niece returned with her to spend some time.

Mrs. Alice Meyer who has been living in New York came last week to spend some time with her daughter, Mrs. Philip Wagner, Jr., her son, John Meyer, also her other daughter at Burlington, Wis. Mrs. Meyer's niece accompanied her on the trip.

Mr. and Mrs. W. V. Kennedy, Mr. and Mrs. James Scanlon and Mr. and Mrs. Jerry Dvorak, all of Chicago, were guests of Mrs. Stella Pedersen last Sunday afternoon.

Sgt. Robert E. Brooks, of U. S. Air Force, has concluded a 30 day furlough with his parents, Mr. and Mrs. Harvey Brooks, of Burnett Ave., and has returned to March Field Air Base at Riverside, Calif.

Mr. and Mrs. Gene Anderson, were at Calumet City, Ill., last week to attend the wedding of her cousin, the son of James Leonard, whose family formerly lived here. Other members of the Leonard family had been in earlier for a bridal shower for the couple, and

their officiating clergyman at the wedding was Rev. Wm. L. Manny, a former pastor here.

Mr. and Mrs. James Williamson are receiving congratulations on the birth of a son at St. Therese hospital early last week. They have a daughter 3 years old.

Mr. and Mrs. Wm. Watson, of Howard Lake, Minn., were guests of Mr. and Mrs. Russell Brumfield, over Sunday, also Mrs. F. J. Williams and Mrs. Henry Weinbach, also from Minnesota, who came to visit their sons, who are stationed at Great Lakes Station.

The William Weber Memorial fund which has been collected at the bank since the tragic accident in February has been turned over

to the proper authorities and will be used for a new altar, Bibles and accessories to be placed in the Masonic temple at Millburn, when it is built in the near future. Mr. Weber had been Secretary of the Masonic lodge No. 127. A. F. and A. M. at Millburn for many years and was much interested in the work, and the fund which has grown to \$510.00 will provide a fitting Memorial to his memory.

Mrs. Jessie Monnier, leader, and the Camp Fire girls have returned from a trip, first to Springfield, Ill., where they spent a few days sight-seeing, then to the Wisconsin Dells, where they spent nearly a week and among the interesting things they did was a trip to the Upper and Lower Dells, attendance at Indian ceremonies and a picnic dinner at the home of Chief Evergreen Tree. Miss Delores Larsen of Deep Lake was Mrs. Monnier's assistant and the group numbered 15 in all. They had a delightful trip in the bus, cooked their own meals and slept in the bus. Mrs. Monnier desires to thank all who helped to make the trip possible.

1650 Iron Export

The first American iron exported in the regular course of commerce was "3 1/2 tonne, 172 bars of iron for account of R. Hutchinson of London." The order was probably made at Saugus, Massachusetts and was shipped on the "Charles" in 1650.

Official Publication of Assessment Roll for 1950 LAKE VILLA TOWNSHIP, LAKE COUNTY, ILLINOIS

The following is a list of personal property in full and a list of real estate for which assessments have been added or changed since the last preceding assessment, together with the amount of the assessments as made, revised and corrected by the county assessment supervisor of Lake County.

This publication is made in accordance with Sec. 103 of The Revenue Act.

The assessed values herein shown are subject to revision by the Board of Review on complaint as provided in Sec. 107 of The Revenue Act. They are also subject to equalization by the Department of Revenue as provided in Sec. 146 of The Revenue Act.

Taxpayers who consider their property incorrectly assessed may appear before the Board of Review on or before 10 days following the date of this publication, and file a complaint in writing according to Sec. 108 of The Revenue Act.

SOCIETY EVENTS

Carol Jean White Becomes Bride of William Rhodes

Christ Episcopal Church in Waukegan was the scene of a very pretty wedding Saturday evening, July 22nd, when Carole Jean White, of Zion and William F. Rhodes, of Tempe, Arizona, were united in marriage at a candlelight service. Dean Osborne Littleford officiated at the single ring service.

The bride wore a gown of white silk chantilly lace with illusion neckline, fitted bodice and full skirt, her head band was of matching taffeta net and ribbon, she carried yellow gladiolus and lilies of the valley with trailing ivy.

A strand of pearls, gift of the groom was worn by the bride. Mrs. John White, matron of honor wore light green organza over matching taffeta with a sweetheart neckline, fitted bodice and full skirt, her head band was of matching taffeta net and ribbon, she carried yellow gladiolus and lilies.

Eleanor Chapman, Mary P. DeBaets, sisters of the bride and Evelyn Kolbrick were the bridesmaids. Attired in gowns of yellow and pink identical to the matron of honor or as was their head bands, they carried pale orchid gladiolus and lilies. Little Patty Jo DeBaets was flower girl, dressed in light blue organza over taffeta and carried a white basket of flowers and rose petals which she scattered in the path of the bride.

Dicky Chapman was ring bearer. Best man was John White, brother of the bride. Ushers were Talbert Chapman, Joseph DeBaets and Robert Metcalf.

The bride is the daughter of Mrs. Pearl White, of 3104 Enoch Ave., Zion, and Clarence White, Tempe, Arizona. She is a graduate of Antioch Township High School and New York Institute of Photography. The groom is the son of Mr. and Mrs. Chas. Keyser, of Allen, Neb., and a graduate of Allen, Neb., High school and is studying at Arizona State College. He is a veteran of three years service in the Pacific with the 2nd Marine Div.

After a wedding trip through the East, they will make their home at Tempe, Arizona.

The reception for the newlyweds was held at Johns-Manville Club, Waukegan.

Antioch Legion Auxiliary Will Be Represented at State Convention Sep. 8

The 30th annual state convention will be held at the Palmer House, of the American Legion Auxiliary Chicago on September 8 to 11.

Mrs. Norman L. Sheehy, Rockford, Ill., national president, will be guest of honor at the unit dinner on Saturday night. At the Sunday night meeting Mrs. Sheehy will be the guest speaker.

Mrs. Floyd Horton, Mrs. Harold Ellis and Mrs. Frank Kennedy were elected delegates to the convention by the members of Antioch Unit 748. Alternates elected were Mrs. John L. Horan, Mrs. Lucy Himens and Mrs. Anton Johnson.

Antioch Unit will hold a business meeting and social time Friday evening at 8 o'clock in the Legion Home.

FOUR-H ACES, ACORNS HAVE JOINT MEETING

The Antioch Aces 4-H club held its regular meeting at the Scout House on Tuesday. Practice for the local Achievement program was held with the members of the Antioch Acorns 4-H club. The program was as follows: "Color for Brown Hair", a talk by Nancy Rentner; a talk, "Color for Blondes" by Doris Petersen; a demonstration, "How to Make Gathers" by Phyllis Petersen; a talk "Styles for every figure" Doris Petersen. Gretchen Biel sang a solo and Mary Fields, Doris Petersen, Phyllis Petersen and Jean Tegelman entertained with a pantomime. Refreshments were served at the close of the meeting. The club was entertained at a pot luck luncheon on Wednesday, July 26, by the Antioch Home Bureau Unit.

MR. AND MRS. OTTO DOLAR ENTERTAIN IN HONOR OF MISS GERTRUDE BELL

The home of Mr. and Mrs. Otto Dolar, of Lake Catherine, was the scene of much activity during the past weekend. A smorgasbord dinner was served in honor of Miss Gertrude Bell, of Providence, R. I., who will soon become the bride of Edward J. Phillips, of Oak Park, Ill.

Those present were E. J. Phillips and daughter, Diane, of Oak Park; Shirley Sidelinger, niece of the bride-to-be, of Providence, R. I.; Mr. and Mrs. Philip Magee and daughter, Phyllis, and Mr. and Mrs. E. R. Tomek and son, Allen, of Chicago.

The same group, also Mr. and Mrs. Robert Coombs and son, Don-

ald, of Oak Park and Antioch, enjoyed a barbecue supper on Sunday evening.

HIGH SCHOOL M. Y. F. TO MEET SUNDAY

The High school group of M. Y. F., will meet at the church on Sunday, July 30th, at 4:30, to go to Salem where they will meet with the high school group of the Salem Methodist church. It will be an evening of fun and fellowship. A charge of 25 cents will be made for the supper.

All those planning on attending should call Virginia Petersen.

The Antioch Unit of Home Bureau enjoyed at picnic Wednesday at the home of Mrs. C. E. Hennings.

Library Notes

Lee Allen's "100 Years of Baseball" is a book that will interest baseball fans, young and old. From the organizing of baseball's first club, the reader meets the greats and not-so-greats—of baseball.

America's pastime has a colorful history and Mr. Allen has pulled no punches in the telling. "100 Years of Baseball" was presented to the Antioch Township Library in memory of Peter B. Toohey.

"Prescription for Living", by Ruhlyyih Rabbani, is the author's solution for the ills of the age. In simple terms, arresting in their sincerity, she prescribes for the needs of humanity. "Prescription for Living" was given in memory of Ben R. Burke.

Mrs. L. C. Ross has returned to her home on Bishop Drive, after being confined to the hospital for six weeks.

Frank Petty Recalled By Naval Air Forces

Frank Petty, son of Mr. and Mrs. W. C. Petty of Antioch, has received his orders as a Naval Reserve officer to report for a physical examination. Frank is employed by the Los Angeles Examiner at present.

Need Stenographers Badly

The Veterans Administration in Washington D. C., is urgently in need of stenographers to fill vacancies in that office. Qualified stenographers are employed at a beginning salary of \$2650 per annum. The Veterans Administration Hospital, Downey, Ill., is accepting applications from stenographers who are interested in employment in Washington, D. C., and applicants should call in person or by telephone at the Personnel Office, Veterans Administration Hospital, Downey, Ill., or forward their application (Standard Form 57) to that office for consideration.

Exhibits in Schools

Wauconda school buildings will be used this year for many of the exhibits of the Lake County fair next week. The 4-H style show will be at the high school, and the domestic arts, fine arts and grain exhibits will be in the new part of the grade school. Four-H boys and girls who remain over night to take care of their livestock will sleep in the grade school building with leaders as chaperones.

Completes Work For Degree

Willie Fern Lux, of Antioch, was one of 18 students honored Tuesday at a special assembly program of the National College of Education for having completed the work required for the bachelor of education degree. Dr. K. Richard Johnson, president of the college, addressed the group as well as other students of the college, the faculty and the townspeople of Evanston. The candidates will not be graduated, however, until the graduation ceremonies next June.

"This is
an
emergency!"

"Operator! Please help me!"

Illinois Bell telephone operators get many such urgent appeals for aid. In Chicago alone, people in distress call the operator for help more than 1,000 times a week—every ten minutes of the day and night!

An accident in the home... a sudden illness... perhaps some other emergency. When trouble strikes, many people turn automatically to the telephone operator—their only link to the outside.

Through training and instinct, the operator acts fast in emergencies. Many times her speed and initiative have meant the difference between life and death.

It's comforting to know she is always within arm's reach when you need her—not only with operator service, but with dial service, too. Her reassuring voice will answer whenever you dial "operator."

Your everyday, practical use of the telephone makes every hello "a good buy." And when you consider the priceless help of the operator in time of peril, you begin to realize how really valuable your telephone service is.

1. The first step in the process is to identify the problem or issue that needs to be addressed. This involves gathering information and understanding the context of the situation.

2. Once the problem is identified, the next step is to define the objectives and goals of the project. This helps to clarify what needs to be achieved and provides a clear direction for the team.

3. The third step is to develop a plan or strategy to address the problem. This involves breaking down the problem into smaller, manageable tasks and determining the resources needed to complete each task.

4. The fourth step is to implement the plan. This involves putting the strategy into action and monitoring progress to ensure that the project is on track.

5. The final step is to evaluate the results of the project. This involves assessing the outcomes against the objectives and goals and identifying any areas for improvement.

Mrs. Bertha Newman left Tuesday for Boulder, Colo., for an indefinite stay with relatives and friends.

Mrs. Myrtle Savage and Miss Josie Mann spent several days at the Harvey Mann home in Waukegan.

Livestock
Livestock of all classes should receive green feed regularly because it helps them build resistance to disease.

Carrots for Salad
Fresh carrots are an excellent addition to a salad, in terms of color, flavor, texture, and food value.

Cotton in Illinois
Cotton is grown annually on from 3,000 to 6,000 acres of land in Illinois.

Use a **NIGHT COOLING WINDOW FAN** in your home for 5 Days... **FREE**

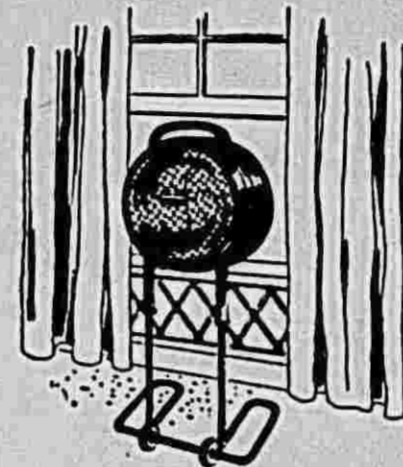

Join the thousands who say:

"Our night cooling fan really keeps us comfortable during the hot summer months. It's the most economical and effective way to make a home livable in summer I know of."

Phone or write our nearest store today... have a night cooling exhaust fan delivered for your use for 5 days without charge or obligation. You'll discover that a night cooling fan is the answer to hot weather. Designed to fit almost any window, these fans have only to be plugged in... and are inexpensive to operate.

A night cooling window fan draws in cool air from outside and circulates it gently through the rooms of your home. This cool air forces out the hot air stored up during the day when the sun was beating down on your home. The gentle breeze brought in by the fan evaporates skin moisture... you feel cooler immediately.

Don't suffer through the summer—get a night cooling fan. Night cooling window fans from \$49.95. Ask about them today at your dealer's or our nearest store.

CONVENIENT TERMS... payable on your monthly Service Bill.
